Dr Axel Kallmayer

Axel advises on German and EU competition law as well as merger control. A further key practice area is providing support for the development of compliance systems. His clients include German and international companies as well as associations from industry, commerce and the services sector.

He advises companies and public institutions on EU state aid law and represents before the European Commission in notification and investigation proceedings. He advises in German, English and French.

What others say

„Leading Lawyer for Competition Law 2021“

WirtschaftsWoche Top-Kanzleien 2021

„Germany’s best lawyer for EU law“

Handelsblatt 2020
