Tobias Freiberg

Specialist lawyer for public procurement law

As a specialist lawyer for procurement law, Tobias Freiberg provides comprehensive and strategic advice to contracting entities, subsidy recipients and bidders on all issues relating to procurement law and public subsidy law. His key areas of expertise include the design and support of complex procurement proceedings, in particular for architectural and engineering services, construction services and IT/digitalisation services, as well as concessions in accordance with the VgV, UVgO, VOB/A, SektVO and KonzVgV. If required, Tobias Freiberg can take on the entire procurement management process as an external procurement agency.
